

Start Strong Pathways

➤ *Start Strong Pathways provides educational supports for children prior to preschool enrolment, strengthen the engagement of children and helps promote the importance of early childhood education to families.*

If you want to find more about our Start Strong Pathways Program Scan the QR Code or visit koorana.org.au/startstrongpathways

About us

Our Start Strong Pathways program is overseen by a qualified Early Childhood Teacher and is delivered to support your family with opportunities to:

- Participate in Supported Playgroups;
- Engage in play-based experiences to support your children's learning and development;
- Engage in culturally responsive environments where all children including young children with disabilities and additional needs are supported;
- Individual supports to access preschool;
- Build family capacity and confidence through education, support and referral; and
- Share of information and resources.
