> Our Services

Koorana offers a range of services to support families and children through their developmental stages. Our experienced professionals work in partnership with families to support children's learning and development, and to assist families in meeting children's needs with confidence and support.

Early Intervention - 0 to 6 years

We utilise the best practice Key Worker model in Early Intervention. In addition, we offer services such as Specialist Teachers, Speech Therapy, Occupational Therapy, Behaviour Support, and Physiotherapy. These services assist children who have a developmental delay or disability. We accept NDIS, Medicare, and private health funds.

Therapeutic Supports - 7 to 18 years

We offer therapeutic supports delivered by allied health professions such as Speech Therapy, Occupational Therapy, Behaviour Support and Physiotherapy. We accept NDIS, Medicare, and private health funds.

Supported Playgroups

We offer play activities that promote early learning, support for parents and carers in their parenting role and, assist families in establishing supportive social connections. These are offered in local community parks and venues.

Start Strong Pathways

We provide educational supports and a range of information through different activities to build awareness in the community about the importance of early childhood education and development.

Preschools

Koorana's Preschools are for all children aged 3 to 6 years. Priority access is given to children who have additional learning needs or a disability, are Aboriginal or Torres Strait Islander, are 4 years in the year before school, who have English language needs, and children at risk of significant harm.

Siblings Supports - 7 to 12 years

SIBs Club is a recreational program for children who have a sibling with additional needs.
